

**COMPLAINT ON SEVERE DISCREPANCIES OCCURED IN CONDUCTING OF APPSC AEE  
EXAMINATION AT CERTAIN TEST CENTRES**

Dear Sir / Mam,

On behalf of the candidates who attempted APPSC AEE examination on 17<sup>th</sup> Feb'2019 at the below mentioned test centres I would like to complain you about some serious discrepancies that took place in adhering to the Guidelines mentioned in the examination hall ticket, during conduct of APPSC AEE Examination, that lead to injustice to the candidates who attempted the exam at the below mentioned institute by depriving them of level playing field.

Please refer point no. 14 in the Guidelines and Instructions to candidates of APPSC AEE Exam hall ticket wherein it is mentioned that Non Programmable calculators would be permitted. Duly adhering to the guideline the candidates attended the exam with standard CASIO fx – 991ES PLUS calculators which are absolutely non-programmable. The calculator was authenticated as non-programmable by CASIO in its official website (screenshot attached for your ready reference) for which the link is also provided herewith.

( <https://www.casio-intl.com/in/en/calc/products/fx-991ESPLUS/> )

Even though the same was apprised to the authorities who conducted the exam at the test centre **they have not allowed CASIO fx-991 ES PLUS calculators inside the examination hall & at the same time they have allowed other models of CASIO calculators like CASIO WD-220MS. However, at other test centres fx – 991ES PLUS calculators have been allowed into the examination halls.**

**This biased act of the authorities at the test centres by not adhering to the APPSC Guidelines had deprived some candidates of the level playing field due to which the performance in the exam has been severely affected, because almost 13 no. of questions absolutely require calculator to solve them.** (List of questions are attached for your ready reference)

In view of the above, we request you to inquire into the situation & take necessary action at the earliest so that the injustice caused due to this unfair & biased approach of the authorities at the test centre can be alleviated.

Examination Venue Code, Name & Address: **(in which fx-991ES PLUS calculators are NOT allowed)**

12014

Bharatheeya Vidya Kendram Junior College,  
Visalakshi Nagar,  
Near Police Quarters,  
Kailasagiri,

**Visakhapatnam – 530043.**

**Examination Venue Code, Name & Address: (in which fx-991ES PLUS calculators are allowed)**

**Dr.Lankapalli Bullayya Colleges,  
Survey No:44, New Resapuvanipalem,  
Visakhapatnam-530013,  
Andhra Pradesh, India.**

Yours sincerely,  
On behalf of candidates
